ARTICLE XXIV REGULATIONS FOR SPECIAL DISTRICT PARKING

Sec 24.1 SPECIAL DISTRICT

Special Districts 12, 13 and 14 of the Cambridge Zoning Ordinance, §§17.300, 17.400 and 17.500 respectively, adopted by the City Council in October of 2003, and which incorporate the October 27, 2003 Letter of Commitment from Harvard University, contemplated the construction of new university housing pursuant to incentive provisions permitting greater densities than the base zoning. The public hearing processes before the Ordinance Committee and the Planning Board identified serious concerns of over burdening demand for on-street parking in these Special Districts. In the support of creation of affordable housing in Special District 12 and the need to provide affordable parking options to those residents, they will be excluded from this restriction. In support of the creation of affordable housing in Special District 12 and the need to provide affordable parking options to those residents, they will be excluded from this restriction. In the Letter of Commitment Harvard agreed to provide certain university parking and agreed further not to oppose creation of a City policy of prohibiting issuance of on-street parking permits to residents of new housing development constructed after October 27, 2003 in said Special Districts.

Accordingly there is hereby created a special district parking regulation to be effective within said Special Districts 12, 13 and 14.

Sec 24.2 **ELIGABILITY FOR RESIDENT PARKING PERMITS AND VISITOR PASSES**

Residents (owners and occupants) of all new university dormitories and housing development constructed after October 27, 2003 within said Special Districts 12, 13 and 14 shall not be eligible to receive a Resident Parking Permit or Visitor Pass from the City of Cambridge for on-street parking.
